

## **PhoneBurner Voicemail Webinar**

### Sample Outbound Voicemail Scripts

#### **SCRIPT 1 – Short Script**

Hello, this is [Your Name] sorry I missed you.

My number is [insert phone number].

Can't wait to touch base.

Have a great day. Goodbye!

#### **SCRIPT 2 – 'Best' Voicemail Script from HubSpot**

Hello, this is [Your Name] from [Company].

I'm calling because [insert reason for calling].

I'd love to talk to you about [insert benefit you can offer if they call back].

My number is [insert phone number].

I'll also follow up with an email tomorrow.

I look forward to hearing what you think.

Have a great day. Goodbye!

### **SCRIPT 3 – Competition Script**

Hi XXXX, this is XXXX with XXXX.

We recently helped COMPANY1, COMPANY2 and COMPANY3 eliminate XXXX by optimizing their XXXX, and wanted to see if this might be something you would possibly be interested in knowing a little more about as well.

I can be reached at 888-123-4567. Again, this is XXXX with XXXX and my number is 888-123-4567. Thanks XXXX.

### **SCRIPT 4 – Mystery Script**

Hey, this is XXX from XXX.

I'm going to send an email right now if you could just keep an eye out for it and respond to me there, I would really appreciate it.

### **SCRIPT 5 – Friday Script**

“Happy Friday! Hope you're having a great day, this is Henry over at PhoneBurner and I wanted to talk to you about how we can help your sales team 4 TIMES the amount of conversations you're having with prospects.

I'm going to send you an email now as well so pick a time on there and can't wait to chat with you. Have a great weekend!”
